

## cayla communication

July 2014

Hittech Group of the Netherlands acquired Prontor GmbH, Bad Wildbad, Germany on July 10, 2014 from VTC Holding, München, GERMANY as an important next step to develop itself to one of the European leaders in the hi-tech subcontracting industry.

Hittech Group currently operates development, assembly and production entities in the Netherlands and Malaysia, employs ca. 350 staff excluding Prontor and is a major subcontracting partner for companies like ASML, Besi, Zeiss, etc.

Through the acquisition of Prontor ca. 270 high skilled employees will strengthen its total work force to ca. 600 and will allow Hittech Group to reach sales of ca. EUR 100m.

For further information on Hittech Group: <http://www.hittech.com>

Prontor GmbH was established in 1902 and has been active within the medtech industry for many years and mainly serves medtech customers like Zeiss, Jenoptik, etc.

Prontor produces and assembles high end medtech products and modules and also operates extensive surface treatment activities.

For further information on Prontor: <http://www.prontor.de>

Through the acquisition of Prontor Hittech Group will become a major partner for the international medtech industry. Hittech Group's activities for the medtech industry will now become the most important sector for Hittech Group after its activities for the semiconductor industry.

cayla group initiated this important transaction for its client Hittech Group and supported the management and owners of Hittech Group during the complete process. Hittech Group and cayla group were supported by Bird & Bird as legal advisors and by KMPG, Bird & Bird, Bastiaansen Consulting and Tauw during the due diligence process.

It has been our privilege to support Hittech Group since 2003. In the past few years cayla group supported Hittech Group among others with the acquisition in Malaysia and with the divestment of the strategically non-core activity Hitmetal in the Netherlands.

In case you wish to be informed about this transaction in more detail or about our other consulting activities please contact us.
