Introducing Renitia Bertoluzzi_UNITED STATES OF AMERICA

September 2015

We are pleased to announce that cayla group strengthened the USA team. Our new colleague Renitia Bertoluzzi will represent cayla group from the US office in Longboat Key, Florida and will join our first USA based partner Richard C. Meyers.

Renitia is based in Florida, but did gather a broad experience in working in various other countries like Malaysia, Costa Rica, Philippines, China and Vietnam for among others Intel.

Renita's experiences as a consultant include: engineering, manufacturing, operational consulting + performance consulting in manufacturing and supply chain processes in the semiconductor industry and interim executive implementation and supporting developing establishing strategic business plans for her clients.

She received her training at Boston University with a Master of Science Degree in Electrical Engineering and is a Bachelor of Science in Physical Science at Western Carolina University with concentration in Physics and Chemistry Education. Renitia will co-operate closely with Rich Meyers and Alexander Adelmund and also with our Asian team to further establish cayla group's activities in the USA and Asia.

We are looking forward to a long, close and successful co-operation with our colleague Reni and numerous interesting projects in the USA, Asia as well as in Europe with Reni for existing and future clients.

Best personal regards

cayla consulting group AG
