October 2016

We are pleased to be able to inform you, that in the past few weeks two interesting transactions could be concluded for two of our long-term clients, who are active within the transport + logistics sector.

## Raben Group expands its network to München + Southern Bavaria

Privately held transport + logistics company **Raben Group** from Poland/Netherlands has acquired privately owned logistics services provider **GS Frachtlogistik GmbH** from Garching (North of München, Bavaria, Germany) allowing Raben Group to include München in its expanding groupage network in Germany.

München was one of the few large cities in Germany Raben Group did not yet cover within its network. Through the acquisition of GS Frachtlogistik Raben Group now obtains a strong foothold in München with a team of ca. 80 dedicated + experienced employees, a modern cross dock + warehouse operation and various new large customers.

Raben Group reached annual sales of ca. EUR 1bn with its ca. 9.000 employees and is active in 11 Western, Central + Eastern countries with over 130 locations.

This transaction was initiated and supported by cayla group for Raben Group.
